**Notice of Availability of the Draft Tiered Site-Specific Environmental Assessment (Draft SEA)  
for the North Shoreline Channel Cameras Towers  
Port of Corpus Christi, City of Corpus Christi, Texas  
Port Security Grant Program  
Project # 2009-PU-T9-K049 IJ#7 (9133)**

Interested persons are hereby notified that Port of Corpus Christi, City of Corpus Christi, Texas has applied to the Federal Emergency Management Agency (FEMA) through the Port Security Grant Program for funding to assist with the construction of Port of Corpus Christi Security Camera Towers in the City of Corpus Christi, Texas. A Programmatic Environmental Assessment (PEA) for Grant Programs Directorate Programs was prepared and a Finding of No Significant Impact (FONSI) was issued in July 2010, in accordance with the National Environmental Policy Act of 1969 (NEPA), the Council for Environmental Quality (CEQ) regulations implementing regulations of NEPA (40 CFR Parts 1500 – 1508), the National Historic Preservation Act, and the implementing regulations of FEMA (44 CFR Parts 9 and 10). FEMA's environmental planning and historic preservation review concluded that all environmental areas of concern are appropriately accounted for in the PEA with the exception of floodplain impacts. A Draft Tiered Site-Specific Environmental Assessment (SEA) has been prepared in accordance with the July 2010 PEA to focus on Executive Order (EO) 11988 requirements and floodplain impacts of the proposed project.

The Draft SEA summarizes the purpose and need, alternatives, affected environment, and potential environmental consequences for the proposed action. The Draft SEA is available for comment and can be viewed and downloaded from FEMA's website at <http://www.fema.gov/plan/ehp/envdocuments/ea-region6.shtm> or the Port of Corpus Christi Authority website at [www.portofcorpuschristi.com](http://www.portofcorpuschristi.com). A physical copy of the document can also be viewed at the Port of Corpus Christi Authority located at 222 Power Street, Corpus Christi, TX 78401 Monday through Friday during the hours of 8:00 AM to 5:00 PM.

The comment period will end 15 working days from the initial notice publication date of April 26, 2012. Written comments on the Draft SEA can be mailed or faxed to the contact below. If no substantive comments are received, the Draft SEA will become final and a Finding of No Significant Impact (FONSI) will be issued for the project. Substantive comments will be addressed as appropriate in the final documents.
