About Port Corpus Christi

As the primary economic engine of the Coastal Bend, Port Corpus Christi is the 5th largest port in the United States in total tonnage. Our mission; to "Leverage Commerce to Drive Prosperity." Our vision; "To be the energy port of the America's." Strategically located on the western Gulf of Mexico, with a straight, 45' deep channel, Port Corpus Christi provides quick access to the Gulf and the entire United States inland waterway system. The Port delivers outstanding

access to overland transportation with on-site direct connections to three Class-1 railroads and uncongested interstate and state highways. Port Corpus Christi is protected by a state-of-the-art security department and an award-winning Environmental Management System. With outstanding management and operations staff, Port Corpus Christi is clearly "Moving America's Energy." <http://www.portcorpuschristi.com/>

Port Corpus Christi is a member of **START (South Texas Alliance for Regional Trade)**, a collaborative effort that highlights business opportunities in South Texas in the manufacturing, energy, aerospace, international trade, military, and other sectors and the related strategic support provided by Port San Antonio, Port Corpus Christi, and Port Laredo. <http://www.southtexasrtrade.com/>
