PCCA's Engineering Services Department is responsible for execution on over \$700 million in capital projects over the next decade.

PCCA is protected by a state-of-the-art security department, with a fully sworn police force

PCCA operations are guided by an Environmental Management System, ISO 14001, providing environmental awareness and protection of assets.

PCCA is governed by a seven-member board with appointees from the City of Corpus Christi, Nueces County and San Patricio County.

THE CORPUS CHRISTI REGION

Corpus Christi is a coastal city in South Texas with a temperate climate and friendly people. The region features miles of shoreline and abundant outdoor recreational opportunities, numerous festivals, entertainment venues and culinary options. A strong local workforce is bolstered by exceptional higher education opportunities at Texas A&M University Corpus Christi and through the Del Mar College System. With a metropolitan area of nearly half a million people, the city is packed with modern amenities and traditional comfort.
